

## **CAMERAMAN**

An experimental photographer, occasionally I shoot a short film. One of the best things I ever invested in? My Canon EOS M and a CCTV 35mm Lens.

## **CODER & COFFEE ADDICT**

Hidden in a deep dark corner, with a cup of coffee, my inner geek codes projects! Don't ask me how I like my coffee, there is only coffee. Anything else will be a diluted variation of coffee.

## **DAREDEVIL & ADVENTURER**

I challenge my fears before they can challenge me. I have quite a few of those so it keeps me busy! Love exploring and broadening my horizons, if only I could fly like a hurricane!

## **DIGITAL DESIGNER**

Create WordPress websites, integrate them with digital platforms. Stay informed with the social media trends and rebuilding my own website every now and again.

## **RADIO AMATEUR & MUSICIAN**

There is a difference between noise and sound. My wife believes that my HAM Radio is a source of noise. I apologise by playing her a song on my guitar. She says that is a beautiful sound.
